

CHLOE

TALE OF COURAGE AND KINDNESS

Make-A-Wish®
UNITED KINGDOM

Chloe, now 10 and from the Isle of Man, goes above and beyond to support others, despite her own challenges. Just like Jasmine from Disney's *Aladdin*, Chloe is selfless and does all she can to help others and spread kindness.

During the UK's lockdown restrictions, as a result of the COVID-19 pandemic, Chloe decided to do something positive and challenged herself to run 20km over 20 days.

Undeterred by her cerebral palsy and epilepsy, Chloe ran on her treadmill every day, often in fancy dress, to support Make-A-Wish® UK. Chloe's amazing fundraising efforts raised £3,700 for Make-A-Wish® which will go towards granting life-changing wishes for other children who have critical illnesses. This is just one example of Chloe's fundraising efforts. Her commitment to fundraising for her local hospital has also been recognised with a Princess Diana Award.

Make-A-Wish® UK creates life-changing wishes for children with critical illnesses. The charity seeks to bring every eligible child's wish to life because every child deserves a childhood. Research shows children who have wishes granted can build the physical and emotional strength they need to fight their illness.
