TALE OF COURAGE AND KINDNESS

Make-A-Wish®  
SPAIN

Despite her illness, Judit, 11 years old from Spain, loves doing good and being kind to others. Through her endless work with Make-A-Wish® Spain, Judit has helped other wishes come true, similar to Snow White, from Disney's *Snow White and The Seven Dwarfs*.

Judit has been involved with Make-A-Wish® Spain since the organisation helped make her own wish come true.

Judit has a natural gift for understanding how other children with critical illnesses are feeling and through her kindness is able to bring them comfort. She has been a big help to Make-A-Wish® Spain, raising awareness for the importance of wishes for children who have critical illnesses, creating videos to share her story and encouraging others to support the organisation too.

In addition, Judit makes arts and crafts to send to donors to thank them for their support and generosity. Judit shows courage and kindness through her endless commitment to Make-A-Wish® Spain and is an inspiration to those around her.

Make-A-Wish® Spain creates life-changing wishes for children with critical illnesses. The charity seeks to bring every eligible child's wish to life because every child deserves a childhood. Research shows children who have wishes granted can build the physical and emotional strength they need to fight their illness.
