

LIA

TALE OF COURAGE AND KINDNESS

ALBERT SCHWEITZER
KINDERDÖRFER UND FAMILIENWERKE

Lia, 6 years old from Germany, always thinks of others despite her own challenges. Just like Tiana from Disney's *The Princess and the Frog*, she regularly looks for ways in which she can support her community.

Like most children, Lia was really looking forward to her 6th birthday. She considered the different toys and gifts she wanted but decided that most of all, she really wanted to give back.

Therefore, instead of asking for presents, Lia asked her friends and family to donate to the Albert-Schweitzer-Kinderdörfer, as she had a close connection to the organisation. With the generosity of Lia's family and friends, an amazing amount of funds were raised, enabling children, young people and their families to receive the support they needed.

Without Lia's selfless act and her giving back to her community, this would not have happened. She shows courage and kindness by always thinking and caring for others.

The Albert-Schweitzer-Kinderdörfer and family support centers provide support to families when they need it most. To find out more about Albert-Schweitzer-Kinderdörfer, please visit the organisation's website: <https://albert-schweitzer-verband.de/>
