

LILAH

TALE OF COURAGE AND KINDNESS

Lilah, 9 years old from the United Kingdom, uses her kindness and generosity to spread love to others. Just like Ariel from Disney's *The Little Mermaid*, Lilah has helped others shine through her selfless acts.

When Lilah turned 7 years old, she decided to ask for donations for Shooting Star Children's Hospices, instead of receiving birthday gifts. Her incredibly kind gesture paid for a real-life sensory beach experience at her local children's hospice for families to enjoy together.

In addition to fundraising, Lilah also helped organise the day. Complete with a sensory sea area, seaside-inspired arts and crafts, including sand dough handprints, and a bubble entertainer who created bubbles big enough for a child to fit inside! The day enabled families to create some fantastic memories together thanks to Lilah's kindness and efforts.

Shooting Star Children's Hospices, one of the 54 UK children's hospices supported by Together for Short Lives, supports over 700 children with a life-limiting condition, and their families to make every moment count. To find out more about Shooting Star Children's Hospices, please visit:
