

From our Family to yours with Make-A-Wish

“Disney The Gift” tells the touching, relatable story of a blended family as they prepare for the festive period, and the arrival of a new baby! This is a powerful story of sibling relationships, experienced through the eyes of the youngest child as she adjusts to the changing family dynamic. Through the family’s shared love of Disney, it brings comfort and togetherness during a time of change. The festive season is all about giving back and we are delighted once again to be supporting our long-term charity partner Make-A-Wish® and their local Affiliates across the EMEA region, Australia and New Zealand.

To celebrate the third and final instalment of From Our Family to Yours, Disney is encouraging fans to join in and donate to Make-A-Wish®. Your gift will have double the impact as Disney will match all qualifying donations totalling up to USD \$100,000, helping to grant even more wishes. To donate please visit shopDisney or www.worldwish.org/disney
